### X. Announcements and Adjournment

WHEREAS: Currently, there is no system in place to inform students as to when the books will no longer be available for sale in the University Bookstore, and

WHEREAS: Some university students do not have adequate time to obtain funds to purchase textbooks from the University Bookstore, and

WHEREAS: Textbook purchases made by a manufacturer without students' knowledge can result in poor academic performance, and

WHEREAS: Informing students of a purchase deadline would encourage them to make textbook purchases in a timely manner and also generate more profit for the University Bookstore,

THEREFORE: Be it resolved that the Student Government Association of Western Kentucky University recommends that the University Bookstore inform students of a purchase deadline for textbooks before they are shipped back to the manufacturer.
